

TOURING & SEA KAYAKS

AZUL ARGON TOURING KAYAK

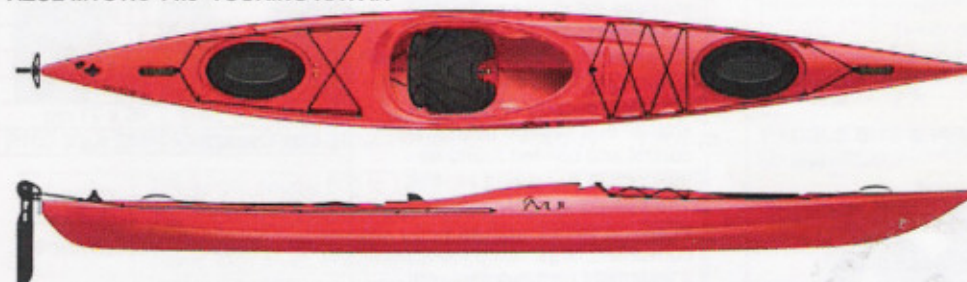

Fast, convenient and stable, the Argon fulfils and exceeds the needs of paddlers looking for a kayak that will enable them to progress. The Argon offers added stability, as well as a practical length and tapered hull for great tracking. The large cockpit and tilt adjustable seatback provide great comfort. Access to front storage and a large dry storage compartment with bulkhead in the back is possible through two large hatch covers.

AZUL CORSAIR SEA KAYAK

Fast and performing, the Corsair will bring a kayaker where nothing else can due to the sweeping line of its shallow-V hull. Two large sealed bulkheads, accessible through large hatch covers, allow for long trips. A convenient day hatch with an additional sealed bulkhead keeps amenities close at hand. The unique low cut outfitting, featuring adjustable hip pads, adjustable thigh braces and foot rests, transforms each stroke into pure speed. The Corsair comes equipped with the Pilot Rudder System®.

C124-20 CORSAIR

Length	503 cm

AZUL ECHO DOUBLE TOURING KAYAK

Swift and compact, the Echo is ready to get out and explore, regardless of the paddlers' skill levels. With the Pilot Rudder System®, moderate width and rigid W shaped durable hull, the Echo is surprisingly fast, easy to manoeuvre and very stable. The two watertight storage compartments, with large thermoformed neoprene sealed front and rear hatch covers will carry a sufficient amount of camping gear.
